### School News!

The newsletter is available on the Valhalla Community School website.

The **March calendar, flip it over and find the April Calendar** is attached☺

This newsletter is for **clarification** regarding the **swim time** and **other activities** that are planned in conjunction with the swim bus going to and from Grande Prairie. It is **cost effective** and a **wise use of school funding** to plan our Grande Prairie outings when we are already going in for swim lessons.

**Swim Lessons** are from Monday, March 2<sup>nd</sup> to Friday, March 13<sup>th</sup> for **grades K to 2**. Kindergarten will come for a **full day** on each of their 8 swim days. This will mean that **parents will not** need to come and pick them up at noon. The kindergarten will come to and from school on their regular bus.

**Swim Lessons** are Monday, March 30 to Thursday, April 9<sup>th</sup> for the **grades 3 to 6**.

Students will need to take their regular lunch and snacks with them each day.

Those days that we have an event in Grande Prairie, a place to sit and enjoy the **lunch they bring** has been scheduled into the day. Then we will proceed with our activity.

Those days we return, the students will eat lunch and be back at the school at approximately 12:30 and we will have regular classes in the afternoon. The afternoon will focus on math, language arts, science and social studies.

It is expected that all students will attend each day as **these are regular curricular opportunities**.

Thank you for your support; the next few weeks will be very exciting and a different type of learning experience.
