Year End Letter
Hythe Community Centre

Please Note!!

Please Check Lost & Found Items for your belongings or your child's belongings. All items left after school is out will be donated to a local thrift store or other charity!!

Valhalla Community School

Last Issue This Year!

It's hard to believe we're already here, but our year has just about come to a close!

Kindergarten and playschool students finished up some time ago. This week the junior high students will essentially finish their program. Next week grade 5/6 students will travel to Blue Lake for their field trip. When they return there will only be one day of school left ... the Year End/Achievement Day celebration.

On Monday next week (June 20th), VCS is holding **Play Day** for grades 1-6. It will combine track and field events and fun. A hot dog lunch will be provided for students and staff; students should bring drinks and snacks for the day. Students must dress for the weather that day. There is no alternate day for this event so it will go ahead if at all possible – even if it's cool and damp!

Also next week, from Tuesday to Thursday, only grade 1-4 students will be at VCS. Because of the field trip and few students at school, this will be the last newsletter of the year.

Just a reminder though ... **June 24th**, the **Year End/Achievement Day** celebration, is a scheduled day of school for all students. We ask that all students please attend school for the fun, awards and wind up celebrations. Report cards will be given out on this last day.

Achievement Tests!

The first round of **Provincial Achievement Tests**, were written May 17 and 18, grade 3 and 6 students have completed their LA Part A Provincial Achievement tests. **The second round will be written June 14 – 17.** We encourage these students to make every effort to be at school for these tests and do their best! For extra practice the students may go online to <https://questaplus.alberta.ca/index.html>

4H Wrap-up!

As our year end draws near, so too our 4H Club must finish up. Achievement Day for our club is the last day of school – June 24. That's the day of our year end assembly and celebration. Activities include a yearend assembly (with awards), a barbeque lunch, fun games and activities and of course the Achievement Day displays of projects done by 4H members.

Each 4H member needs to have completed module projects in: Environmental Farm Plan, Field Crop Display, Nest Boxes, Computers. These short projects must be complete for students to get credited for their 4H year. Students also need to complete their Exploring 4H Record Book and a yearly 4H diary. They have worked on these items at school *but may need encouragement and help from home to ensure completion!*

Please check with your grade 5-8 students to see how they're coming along. Call Mr. Mumert or Ms. Fowler at the school for more information.

Have a great summer!

See you next fall!

Library News

Library Hours are Tuesdays 11am-5pm, Wednesdays 10am-6pm and Thursdays 11am-5pm.

School Council

The next school council meeting is June 14 @ 5:30pm here at VCS. Hope to see you there.

Blue Lake Trip!

Just a note and a reminder:

Participating grade 5/6 students will be leaving June 21 from the school to travel to Blue Lake, Alberta for a outdoor/survival/leadership retreat.

Information about the trip along with a waiver from Blue Lake center and consent forms for the school have gone home.

Students must have both the waiver and the consent form signed and returned to the school this week. (It would be helpful for the school if parents would also call to let us know if students will not be participating). Thanks to everyone for helping out with this. Please contact the school if you need additional information.
